### Maria in the Shower

Saturday, March 13, 9 p.m. at the Royal, Lounge and Grill, 330 Baker St.

Vancouver quartet Maria in the Shower are loading up the caravan for their first tour of 2010.

In over 100 appearances during the past two years, the band has shown a remarkable ability to captivate audiences of any stripe. Described as a "folk cabaret" and inspired by Vaudeville-era performance, the music draws primarily on American roots influences (early swing, blues, folk). But don't assume too much from this description - there is an element of magic that fills the room when visual

and theatrical elements are combined with outstanding musicianship. As you might expect, seeing Maria in the Shower is an experience that leaves a lasting impression.

Early confirmed 2010 summer festival appearances include North Country Fair (Edmonton) and the Brandon Folk Festival. Performances at a number of smaller festivals and municipal arts council events around Western Canada will fill out an extended summer tour.
